

STRATTON PROMISES CITIES REVENUE AID

Collins Leaves on Mission to Saigon, Indochina

Governor Says
He Will Sign
Vaccine Bill

Refuses Comment
On Charges Against
Toll Road Chairman

SPRINGFIELD (AP) — Gov. William G. Stratton today said his administration is "going to give cities added revenues" in this session of the Legislature.

Answering questions covering many fields at a news conference, the governor also said:

1. He will sign the bill appropriating one million dollars to buy Salk polio vaccine for free shots either late today or Saturday. The bill has been sent to Chicago for the signature of Lt. Gov. John W. Chapman, president of the Senate, first.

2. He has "no comment" on charges made on the Illinois House floor Thursday that Toll Road Commission Chairman Evan Howell verbally abused legislators while intoxicated.

3. "The job has been done" on legislative reapportionment and "The Legislature will vote on it soon." Stratton's expression of confidence that agreement had been reached on legislative remapping was a surprise since the Senate was completely stalled over remapping differences. The governor said Chicago Mayor Richard J. Daley had been "helpful" in resolving the differences.

4. He is appointing a 25-member "advisory commission" to the Toll Road Commission. This advisory commission, with 10 legislative members and 15 members appointed by the governor, appeared as an effort to forestall increasing legislative clamor for investigation of certain "autocratic" actions of the Toll Roads Commission.

5. He thinks a fair employment practices bill to prohibit employment discrimination for race, creed or color, will be passed by the Legislature. He said he was for the bill even though it was not part of his administration program in this session.

6. The administration will submit a bill boosting unemployment compensation maximum payments from \$27 a week to about \$40 a week for a married man with a family. He said he scaled downward about \$10 for single unemployed persons.

7. Passage of a Korean War veterans bonus bill is "up to the Legislature," but the governor thinks economic conditions to be considered are "different" than when World War I and II bonus questions were being planned.

8. Passage of a new constitutional amendment to state and city financial bills and the administration will back a revenue article which prohibits any kind of income tax for referendum to the people in a 1956 referendum.

The governor said passage of his bill for a 1 per cent sales tax increase to 3 per cent for one year is "an absolute necessity."

He said failure to pass the sales tax increase will result in a cut of one-third in state aid to schools and "so-called" state aid to hospitals and in budgets for higher education institutions.

Stratton said he was against giving cities a share of the sales tax increase but "we are going to give them added revenues." He said the revenue article is the final solution "but in the meantime we have a number of sources of revenue we can give the cities."

He declined to name any of the new city tax proposals but said he will talk to Daley again next week on "details" and will also discuss plans with mayors of other cities and officials of the Illinois Municipal League.

**Sheriffs Complain
Of Interference
By State Police**

SPRINGFIELD (AP)—Sheriffs of 10 counties carried complaints about state police interference in local police matters to Gov. William G. Stratton's desk today.

Elmer J. Hoffman, Wheaton, former state treasurer and president of the Illinois Sheriffs Assn., accompanied the sheriffs.

"We told the governor we objected to state police butting into criminal investigations," Hoffman said. "We told him we thought the main job of state police was law enforcement on the state's primary highway system."

"We talked about the proposed increase in the state police force. We are certainly not against the increase but we don't want the increase used to create more interference in local criminal matters," Hoffman said.

Hoffman and several of the sheriffs said they asked the governor to inform state police that sheriffs have jurisdiction over accidents on county roads.

About Town

And Country
By TIMOTHEUS T.

Officers Deny
Rumors of Dope
By Young People

TAINT SO DEPT: Sometimes a story which says that nothing has happened has its value, and this story is more-or-less one of those although one thing will be brought out that should give us a lot of concern.

I'm speaking of the rumors that have prevailed and have been building up during the past three or four weeks until they have snowballed to such proportions that I suppose a lot of people will continue to believe them in spite of this article.

These rumors have dealt with young people — particularly high school students — taking dope for the kick they get out of it, and before we get into the details let us say real quickly that the rumors are a lot of hooey.

Chief of Police Loren Travelstead gave me an account of an investigation that has just been completed. Besides the chief, taking part in an extensive probe earlier this week were Principal Raymond L. Foster of HHS and George Howard of Springfield, narcotics agent in the Bureau of Narcotics.

The city police have heard rumors from time to time during the past month and have investigated them individually, finding out nothing that would indicate our youth is going to dope.

At one stage of their investigation they secured what was feared to be marijuana, which had been taken from the pocket of a high school boy. The stuff was sent off for laboratory analysis and the report came back. It was dried-up mistletoe!

But with the reports persisting, Chief Travelstead secured the services of Mr. Howard, the narcotics agent. The two with Mr. Foster spent Tuesday and Wednesday interviewing high school pupils and personnel and with some leads they continued their probe out into the city.

And said Travelstead yesterday afternoon:

"At no time did we find a bit of evidence that anybody had used or knew of anybody here who had used or is using narcotics."

"We heard of one person, a young man in his mid-twenties, who took benzedrine, which is a stimulant but is not classified as a narcotic, and this fellow is not in Harrisburg now."

"And," he continued, "rumor that a certain man was peddling narcotics here and was run out of town is certainly news to us."

Travelstead said the probe did not end with the rumors that narcotics were being used by kids here. Also probed by him and Howard was a rumor prevalent here that a young girl was given a stimulant by boys at a spot near Harrisburg. Travelstead stated that Howard, a graduate pharmacist, said that the stuff she was supposed to have taken could not have reacted on the girl the way the rumors have had it that she responded.

And while we're on the rumor subject, let us take up the "poison candy" episode. Rumor had it that an old man was giving candy to children around a school and that one little girl who ate such a candy bar was poisoned by it.

Police, when they heard about this, took the girl, 6, to the hospital themselves and she was kept there all night. Doctors who examined her said they could find no trace of poison.

But back to the rumors of dope in the schools. Travelstead urged: "If you hear of anything going on that shouldn't be, and if you believe that it merits investigation, you should go to your officers first instead of passing it around from person to person as idle gossip. The officers then can investigate and such a practice will keep down a lot of idle gossip and save the officers time and embarrassment."

DRIVE: And now for a fresher subject. Saturday Scout and Explorer Troop 23 will cover every street in Harrisburg for paper and rag drives. Proceeds from this sale will be used to purchase equipment. The troop is still replacing equipment lost when the Presbyterian church burned. Persons are asked to have the papers and rags tied or boxed. It should be placed in front of the house where it can be seen.

Will Seek to
End Fighting
To Control Gov't

U. S. Continues
To Back Premier
In the Rebellion

WASHINGTON (AP)—Gen. J. Lawton Collins, special U. S. representative to Viet Nam, headed back there today "to pick up where I left off" in trying to end the bloody fighting for control of that nation's government.

At National Airport, Collins declined to comment on the eruption of fighting in the Viet Nam capital of Saigon where observers predicted a showdown fight between U. S.-backed Premier Ngo Dinh Diem and the rebellious Binh Xuyen society.

"It's rather difficult to see exactly what the situation there is," Collins told newsmen, "when you are on the other side of the world."

He said he is returning to Viet Nam on schedule "to pick up where I left off on a week ago."

His plane left at 7:22 a. m. EDT. Collins went through a round of secret meetings with Secretary of State John Foster Dulles and other top State Department officials Thursday after news of the fighting reached Washington.

Informed sources said the United States decided not to alter its policy of supporting Diem. France had been urging that Diem be abandoned on grounds he could not cope with pressure from the Binh Xuyen and other groups opposing him.

But officials said the United States felt it could not desert the Diem government now that it is engaged in battle.

There was doubt here that Collins would reach Saigon in time to confer with Diem himself because the Vietnamese premier has been summoned to meet with absentee ruler Bao Dai in Cannes, France, by May 3. Officials said if Diem complies with the demand he will have to leave before Collins arrives in Saigon.

Appointments of
Three New City
Officials Named

The appointments of three of the newly-elected city commissioners, who take office May 1, were made public today. Charles R. Hine, the other commissioner, announced his appointments several days ago.

Don Williams, who will be commissioner of finance, announced that he was retaining Olive Patterson, present city clerk, and that Bill Williams would be the new city treasurer.

The appointments of Sneed Jordan, commissioner of streets and alleys, were revealed to be as follows:

George Rees, superintendent, and George Sheldon, William Owen, John Cain and Arthur Hinant Jr., maintenance employees with one other place to be filled later.

Morris Darnell, new commissioner of public utility, announced that Clyde Miller will be the city hall custodian and Ural Johnson the cemetery sexton.

Mr. Hine, commissioner of public safety, already has announced the personnel of the police force and the fire department.

The council will hold its first formal meeting at 2 p. m. Saturday.

Levi Simmons, 88,
Dies Near Stonefort

Levi Simmons, 88, a farmer whose home was in New Burnside, died this morning at the home of a daughter, Mrs. Harrison Wall, near Stonefort, where he had been for a month.

Besides Mrs. Wall, he leaves the following children: Mrs. Aud (Lola) Lev, New Burnside; Mrs. Alfred (Madge) Gilley, Marion; Earl Simmons, New Burnside, and one brother Frank Simmons of Luxon, Ill.

The body will be taken from the Thornton funeral home in Stonefort to the Wall home to lie in state Saturday at 10 a. m. Funeral services will be held Sunday at 2 p. m. at Mt. Moriah church. The pastor, Rev. Albert Harris, will officiate, and burial will be in the Drake cemetery.

10 Americans Killed
In B29 Crash in Okinawa

TOKYO (AP)—Ten American airmen died and four Okinawans were injured Thursday in the crash of a B29 on southern Okinawa, the Air Force said today.

WATER AT LAST—Secretary of Agriculture Ezra Taft Benson seems pleased to see water after spending the past few days in the barren, dust covered areas of Colorado. Benson is inspecting "deep well" irrigation project on the farm of William Frank Morton near Dumas, Texas. Irrigation has kept crops alive in the drought-ridden Texas panhandle, but costs of wells and pumps are high, so farmers are still in trouble. (NEA Telephoto)

Work of Undercover Agents Described
To Dinner Club by Arch F. Coleman

Work of our undercover agents abroad and how the work is organized was explained to members of the Southern Illinois Dinner Club last night at the Kurto Country club.

The guest speaker was Arch F. Coleman, presently a public relations counselor who was a World War II undercover agent.

He explained the training agents received in Maryland before going overseas with OSS outfits. His task took him to Turkey where he was listed under his own name as a war correspondent.

He told how his organization was begun first with the aid of a Greek girl, a physician who was doctor to the German ambassador Fritz von Papen, and built up to a group of 75 persons. Each of the 75 had Axis passports and access to enemy capitals.

Explains Spy Systems
The spy systems are the same for all nations, Mr. Coleman said. The director must have a "cutout" who will have seven or eight cell

Draft Bill to
Give Surplus
Grain to Jobless

WASHINGTON (AP) — Chairman Harold D. Cooley has directed the House Agriculture Committee staff to draft a bill to provide for conversion of surplus government wheat into bread and flour for the unemployed.

The North Carolina Democrat acted after hearing Agriculture Department officials voice opposition Thursday to the give-away program proposed by congressmen from distressed coal mining areas in five states.

Earl N. Hughes, administrator of Commodity Stabilization Service, testified that the department had decided against adding of wheat or corn to surplus commodities being distributed to distressed areas. He said the department also opposed legislation to permit the conversion of grains into flour and meal.

Bills introduced by 12 House members from West Virginia, Virginia, Illinois, Pennsylvania and Kentucky would give the department discretionary authority to process grains into flour.

Since the department has even refused to donate wheat and corn to West Virginia which is ready to process it, Cooley said, maybe the committee should make the legislation "mandatory."

Hughes contended that if the Agriculture Department distributed flour, "we would be supplying to needy people a commodity which otherwise would be unavailable to them." He said unemployed people wouldn't be expected to buy butter—one of the surplus foods already being distributed—but they would use even their last pennies to buy bread.

Public Health
Sleuths Check
New Polio Cases

Seek to Determine
If Vaccine is in
Any Way Responsible

WASHINGTON (AP) — The government today put its epidemic intelligence service on the trail of polio cases involving children who received Salk shots.

The move is part of the Public Health Service's all-out effort to determine, if possible, whether the vaccine itself is in any way responsible for the onset or severity of the disease.

Two experts with the intelligence service have been dispatched to California where vaccinated children have been hit hardest. Other agents have been alerted in the rest of the country.

These investigators are in addition to two federal sleuths rushed to Berkeley, Calif., earlier to run a complete check on the operations of Cutter Laboratories.

Cutter Vaccine Banned

The government banned distribution of all Cutter vaccine Wednesday, because 11 polio cases — including one death — had been reported among children who had been given Cutter shots.

Five additional children who had received the Cutter vaccine were listed as polio victims Thursday — three in Los Angeles, one in Riverside, Calif., and one in Oakland, Calif.

At the same time, the U. S. Public Health Service said one of 11 cases previously reported among inoculated children had been diagnosed improperly. It said a San Mateo, Calif., youngster was suffering from something else.

Health authorities in Columbus, Ga., meanwhile, said a 6-year-old boy there came down with bulbar polio Saturday — four days after receiving a shot supplied by Eli Lilly Co., Indianapolis.

The immediate question was whether Lilly's production, like Cutter's would be embargoed. The Public Health Service announced late Thursday that "for the present" it would not.

Suspicion Not Warranted

It said the single reported case did not warrant any suspicion that the vaccine might be involved. On the contrary, it suggested the boy might have come down with polio before receiving the shot or before it could do any good.

In the case of Cutter vaccine, however, it said the polio victims were reported in rapid succession. As a precaution, it said it seemed wise to make sure the vaccine was not at fault before releasing it to any more children.

Humane Society Rabies
Vaccination Saturday

The Harrisburg Humane society is sponsoring a rabies vaccination clinic to be held on the lower level of the city hall from 1 to 5 p. m. Saturday. A veterinarian will be on hand to administer the shots.

Evening Registration May 10 at
High School for Freshman Students

Freshman registration at Harrisburg Township high school will be held at 7 p. m. Tuesday, May 10, it has been announced by R. L. Foster, principal at HTHS.

The evening registration is an experiment, as in past years freshman registration was a full day's operation.

In making the announcement, Mr. Foster points out the following reasons for making the change: 1. Since uniform achievement tests are now being given by the county superintendent to all eighth grade students of the county and the results are made available to the high schools during the summer, freshman registration procedure requires much less time than formerly.

2. Such a meeting will give parents a better opportunity to accompany their child to assist with the registration and to obtain needed information concerning the numerous services and offerings of the high school.

3. It will give parents a better opportunity to meet with some of the teachers and discuss special needs of a student or special interests and abilities which the school might help to develop.

4. It will provide an opportunity for parents to tour the buildings and visit various departments of the school possibly for the first time.

All parents who possibly can are urged by Mr. Foster to accompany the child and assist in every way possible with the students' introduction and adjustment to high school.

To assist in making a selection of courses, the following information is given—All freshmen are required to take physical education plus four full credit courses. Each student is required to take English I, Algebra I and Orientation. The fourth subject may be selected from the following studies: Agriculture, vocational I, (for boys); Agriculture, general; Art I, general science, general shop (for boys); homemaking (for girls); Latin I; French I.

In addition, a student may take either band, orchestra or chorus. One-fourth unit per semester is allowed for each of the above listed extra courses.

All girls should consider taking at least one year of Homemaking and all farm boys should consider the complete course in vocational agriculture, Mr. Foster declared.

It was also said that those students expecting to go to college should plan to take two or more years of Latin or other foreign language; two or more years of science; and two or more years of mathematics.

All eighth grade students are to receive a mimeographed sheet containing all this information and are urged to bring it with them when they go to the Harrisburg Township high school to register for their freshman term.

AMA Hits Non-Military Use
Of Doctors by Armed
Services; Opposes Draft

WASHINGTON (AP) — The American Medical Association complained to Congress today the armed services are using too many doctors for non-military duties like delivering babies.

It said this is one reason the "repugnant" doctor draft law should be allowed to expire as scheduled on June 30.

Dr. Walter B. Martin, AMA president, in testimony prepared for the House Armed Services Committee, said "it is our belief that the continued use of discriminatory legislation in peacetime is unnecessary and inadequate to solve existing medical manpower problems."

The administration has asked for a two-year extension of the special draft which allows the armed services to take physicians, dentists and veterinarians up to age 51. The law first was enacted during the Korean War to meet a shortage of doctors in the Army.

The AMA supported the original law and its extension in 1953 on grounds of war expediency.

Dr. Martin said the armed services now could get enough doctors without a special draft if they made military service more attractive and made better use of the doctors they do get.

He said there has been an "enormous increase" in the medical care of servicemen's dependents. He said in 1948 about 42,000 babies in 1953 there were more than 145,000.

Pfc. William R. Bertelsen, a Neponset, Ill., physician, told the committee Thursday the doctor draft was the worst discrimination against a minority since the abolition of slavery.

Bertelsen, who refused a commission "on principle" and fought the draft law in vain all the way to the Supreme Court, said the law is carried out "in the spirit of ruthless retaliation against physicians and dentists who will not volunteer."

"In a class of 1,000 physicians at Ft. Sam Houston in June, 1953,"

Railway Strike
May Endanger
Eden Campaign

LONDON (AP) — Railway workers today called a nationwide strike in a move that upset both Conservative and Labor campaign plans and could prove disastrous for Prime Minister Anthony Eden.

The railway union ordered 60,000 engineers and firemen to stop practically every train in Britain starting at midnight Sunday in a dispute over pay. Other unions will have skeleton service if the walk-out takes place.

The strike was called by the Associated Society of Locomotive Engineers and Firemen when the government's attempt to mediate between it and the nationalized railway system broke down. The union told its London subway engineers to keep working, while the bigger National Union of Railwaymen, representing only a few engineers also told its members to keep working.

Labor Minister Sir Walter Monks immediately reported in person to Eden, and a cabinet meeting was expected later today to complete government planning of what to do to keep a trainless nation from starving.

Informed sources said Eden already had laid plans with the rival National Union of Railwaymen's 17,000 non-striking engineers to maintain emergency food, medicine and fuel trains.

He could put troops to work running the railroads, but whatever his course, he would have to act under a cloud of public opinion elections. The outcome of the election could hinge on what happens to the railroads.

Frank Owen, 75, former Walnut Grove resident, died Sunday night at his home in East Alton. He had been in failing health with a heart condition for a year.

He leaves three children, Frank Jr., of Harrisburg, Mrs. Betty Reed, East Alton, and Mrs. Nina Donaldson, Evansville, Ind.

Frank Owen, 75,
Former Walnut Grove
Resident, Dies

The funeral will be held Monday at 2 p. m. at the Marks funeral home in Wood River. Burial will be in the Valhalla cemetery in Alton.

Stratton Hikes
SIU Budget
By \$750,000

Trustees Believe
School Will Have to
Turn Down Students

SPRINGFIELD (AP)—Southern Illinois university trustees today predicted SIU will have to turn down students in the next two years despite a \$750,000 budget boost approved by Gov. William G. Stratton.

The \$750,000 addition raised the Stratton-recommended SIU operating budget total to \$12,627,426 for 1955-57. This still was nearly \$4,000,000 below the SIU-requested budget of \$16,500,000.

The governor agreed to the increase after about three hours of meetings with the SIU board of trustees and President D. W. Morris Thursday.

"We'll probably have to turn down some students," John P. Wham, Centralia, board president, said.

He said the board would have to make a "complete reanalysis" of its budget to see where operations should be cut. He said cuts probably also would effect the SIU area development program, summer school, extension courses and university school.

Sen. R. G. Crisenberry (R-Murphysboro), who accompanied the university delegation on its visit to Stratton, was more optimistic.

"We're in pretty good shape," he said, "and I believe SIU can operate on the budget without any cuts."

Name New Dean
Of College of
Education at SIU

SPRINGFIELD (AP)—The Southern Illinois university board of trustees has named a new dean of the college of education and taken further steps to reorganize another unit of the university.

Among the actions taken by the trustees at a meeting in Springfield Thursday was the appointment of John E. Grinnell to be dean of the college of education. Grinnell has been dean of instruction at Indiana State Teachers college since 1938. He will succeed Douglas Lawson, who resigned to devote full time to research and teaching.

In other action, the trustees authorized SIU officials to set up a school of business and industry to replace the present college of vocations. The board also gave permanent status to the schools of fine arts, communications and rural studies which were separated from the college of vocations and professions two years ago.

The SIU trustees re-elected John P. Wham, Centralia, as president of the board; Lindell Sturgis, Metropolis, vice president, and Melvin Lockard, Cobden, secretary. Wham also continues as a member of the executive committee but Robert Kern, Belleville, succeeds Kenneth Davis, Harrisburg, and H. R. Fischer, Granite City, was named to succeed Sturgis on the board's executive committee.

be trustful.

State Accepts Applications for Highway Police

SPRINGFIELD, Ill. — The State
Highway Police Merit Board will
accept applications for the position
of State Highway Police patrolman
through June 30, Chairman Harry
A. Gardner announced today.
A candidate must be a citizen
of the United States between the
ages of 21 and 35 years, and a
resident of Illinois for the past
two years. He must be not less
than five feet nine inches nor more
than six feet four inches tall, with
weight in proportion. A high school
education or its equivalent and
the ability to drive an automobile
are necessary. Honorably dis-
charged veterans of the U. S. armed
forces are given preference.

State Highway Police patrolmen
are required to work a minimum
of 48 hours a week at a base pay
of \$322 per month. Assignments
are made at the discretion of the
superintendent of State Highway
Police, and to receive considera-
tion an applicant must be willing
to accept an assignment anywhere
in the state.

Applications can be obtained by
writing to State Police Merit Board,
401 East Jefferson St., Springfield.

The Red Cross disaster service
provided rehabilitation aid to an
average of one family every 75
minutes in 1954.

★ EDSON IN WASHINGTON ★

New Military Reserve Plan Faces Strong Opposition

By PETER EDSON
NEA Washington Correspondent

WASHINGTON—(NEA)—Promi-
nent churchmen and church-affili-
ates have taken the lead in opposi-
tion to the national military reserve
plan now before Congress.

These same groups have in the
past been successful in blocking
peacetime conscription and univer-
sal military training. Their chance
this year seem somewhat more
doubtful, in view of the increas-
ingly tense international situation.
But final votes in Congress may
be close.

Under President Eisenhower's
modification of the old UMT pro-
posals, emphasis is now put on
building up a trained reserve of
2,500,000 men.

First reliance for maintaining
the standing U. S. armed forces
would be placed upon voluntary
two-year enlistments, to be fol-
lowed by six years' service in the
reserves.

If enlistments failed to provide
the necessary strength, men could
be drafted for two years for this
service.

AS AN OPTION, approximately
100,000 men a year might choose
six months' military training, to
be followed by seven and a half
years in the National Guard or re-
serves.

All the arguments in opposition
to this plan have just been as-
sembled in a 25-cent pamphlet is-
sued by National Council Against
Conscription. Its title is, "The
Facts About the Pentagon's New
Conscription Plans." It seeks to
answer 45 key questions on the
extent to which this is a disguised
UMT plan. It puts the costs at
over one billion dollars a year.

Washington distribution to
congressmen and the press was hand-
led by the Friends' Committee on
National Legislation, which also
has a long record of opposition to
peacetime conscription. There is
no official connection between
them. Both groups are registered
with Congress as lobbyists.

Head of the National Council is
John Swomley of New York, a
prominent Methodist layman who
was educated for the ministry. He
has taken a leading part in opposi-
ing conscription. The council's ex-
ecutive director is Dr. Alonzo Myers
of New York University's de-
partment of education.

OTHERS ACTIVE IN THE
COUNCIL are Rev. George A. But-
trick, Presbyterian chaplain at Har-
vard; Elsie Elfenbein, secretary of
the National Council of Jewish
Women; Rev. Harry Emerson Fos-
dick, pastor emeritus of Riverside
Church, New York; and two Cath-
olic priests, Rev. Francis X. N.
McGuire, O. S. A., and Rev. Allan
P. Farrell, S. J.

It should be made clear that
these members of the clergy speak

only for themselves and not for
their churches. The Roman Cath-
olic bishops in America, for in-
stance, have taken formal action to
leave decision on this subject to
the heads of government. The
bishops regard UMT as a moral
risk for the young men involved,
however, and will watch it closely.

E. Raymond Wilson, executive
secretary of the Friends' Commit-
tee on National Legislation, in
Washington, asserts that this year
the opponents of conscription were
cut short on their testimony before
House Armed Services subcommit-
tee. Mr. Swomley was given only
seven minutes.

Principal argument of those op-
posing the Eisenhower administra-
tion's new plan is that it seeks to
introduce permanent, universal,
compulsory, peacetime conscription
to the U. S. through the back door.

IN ORDER TO REMOVE THE
CURSE of the UMT label from this
program, Pentagon officials
have been insisting that it is nei-
ther universal nor compulsory. It
is put forward as a temporary pro-
gram which would expire June 30,
1959.

Opponents point out that the
armed forces have outlined the
need for one billion dollars' worth
of new armories for the first four
years. These buildings would not
be built if they were to stand idle
for the years after 1960. They are
to be built for intended continuous
use.

Against these claims, says Ray-
mond Wilson, it must be argued
that after the 18½ year old makes
his choice on whether to enlist, he
drafted or serve six months, he has
no option. Also, it is up to the
military authorities—not the indi-
vidual—whether he serves or does
not serve. Mr. Wilson maintains
this is universal and it is compul-
sory.

Mrs. Della Ward and daughter,
Mrs. Joseph Carle of Jackson, Ohio,
were house guests of the John C.
Small family from Tuesday to Fri-
day of last week.

Mrs. John C. Small has been in-
disposed for a few days. Callers
during the time were Mr. and Mrs.
W. B. Riegel, Mrs. Bedie Harris,
Mrs. Henry Doran and son, Gail
Lewis, Mr. and Mrs. Walter Pat-
erson and daughter, Opal, Mrs. Lou-
ise Gollmer, Mrs. A. J. Drott, Mrs.
Paul R. Drott and children, Phyllis
and Charles A., Mr. and Mrs. Otto
Henn, Mrs. Charles Lockwood and
Mrs. L. L. Riegel.

Abney school session closes Tues-
day, May 3, at which time the
teacher, Mrs. Dorothy Mings, and
parents will sponsor a bus trip to
Mt. Vernon park. The children
of the anti-polio serum age received
their Salk immunity Monday
at Galatia.

Union chapel revival will begin
Monday, May 2, at 7:30 p. m. with
Rev. George O. Dougherty as evan-
gelist. Special music will be fea-
tured nightly.

Lone Oak Methodist church will
hold a dedication service at 2 p.
m. Sunday with Rev. Dale Harmon,
the Harrisburg district superintend-
ent, officiating. The church has
recently made major repairs and
improvements and these are to be
dedicated to the Lord, according
to Rev. Irvin Braden, the pastor.

Mr. and Mrs. Kenneth Patterson
had as guests Sgt. and Mrs. John
R. Thomas and son, Tom, New Or-
leans, La.; Mrs. Stella Trehey,
Plainfield, Mrs. Paul Kimbro and
daughter, Paula Sue, Harrisburg,
Mr. and Mrs. L. A. Vineyard and
son, Douglas, and Mrs. Jim Upton.

ICC Claims Unit Costs of Electricity Less Than 10 Years Ago

SPRINGFIELD, Ill.—An Illinois
Commerce Commission report said
today that unit costs of electricity
over-all in Illinois were 5 per cent
less in 1954 than they were 10
years ago.

The report was submitted to
Gov. William G. Stratton and mem-
bers of the Illinois General Assem-
bly by George R. Perrine, ICC
chairman.

The Daily Register 25c a week

Little Egypt Bridge Tournament at Herrin May 6-7-8

The fourth annual Little Egypt
Bridge tournament will be held
on May 6, 7, and 8, at the Elks
home in Herrin, sponsored by the
Herrin Elks Duplicate club and
the American Contract Bridge
League of St. Louis. J. W. Mc-
Cord, president of the Herrin
bridge club, said today that many
players within a radius of 300 miles
of Herrin are expected. Four trav-
eling trophies will be in play, and
permanent prizes also will be
awarded to the winners of the var-
ious sessions. Master points will
be awarded, and the tournament
will carry a sectional rating.

The event will get under way
Friday evening at 8 o'clock with
a mixed pair session. The women's
pair and men's pair sessions will
be held Saturday at 2 p. m., the
open pair qualifying session at 8
p. m. and the final open pair ses-
sion for championship honors will
be staged Sunday at 1 p. m. The
Buckhorn pairs, also scheduled for
1 p. m. Sunday, will be open to
all players, including those elimi-
nated from the championship ses-
sion.

At the final planning meeting for
the tournament, General Chairman
Charles R. Cook of Herrin announ-
ced that all players who enter the
men's pair or women's pair, and
who also enter the open pair ses-
sion, will be guests of the Herrin
Elks Duplicate club at the Presi-
dent's banquet, Saturday at 6:30
p. m. Players from Indiana, Mis-
souri, and Kentucky are expected,
and those requiring lodging may
contact Reservations Chairman,
Mrs. J. W. McCord, 721 N. 8th
Street, Herrin, Ill.

A nine-day wonder is something
which causes a great sensation for
a few days, then passes into the
limbo of things forgotten.

Woman's Club Meets With Mrs. Iva Dilbeck

The Raleigh Woman's club met
with Mrs. Iva Dilbeck of Raleigh
Thursday with a potluck at noon.
The roll was called and minutes
of the last meeting read. Songs
were sung and each member pre-
sented the hostess with a small
gift. Mrs. Tessie Carlile offered
prayer, and Mrs. Lillie Stricklin
read the scripture verse.

The next meeting will be at the
home of Mrs. Stella Smith of Eldo-
rado, May 19, with a potluck din-
ner.

Those present were Mrs. Zona
Pemberton, Tessie Carlile, Lillie
Stricklin, Lillie Cable, Susie Pat-
erson, Mable Sronce, Stella Smith
and Iva Dilbeck.

Mrs. Nell Irvin underwent eye
surgery last week. It is reported
that she rallied favorably from
the operation. Her address is
Nell Irvin, Good Samaritan hospi-
tal, Mt. Vernon.

Mr. and Mrs. Charles Stricklin

accompanied by Aunt Winnie
Newcom, attended church one
night last week at Union Grove
church. Union Grove is where
Aunt Winnie was converted 55
years ago. She stated that it
brought back many pleasant mem-
ories to once again attend church
there.

Sunday callers at the home of
Opal and Darlene Goodson were
Mr. and Mrs. Waive Randolph and
daughters, Sarah Lou and Janice
Lee of Evansville.

Norman Bishop, Mr. and Mrs.
Phillip Bishop and family of Mo-
line spent the week end with Mr.
and Mrs. Clive Bishop.

Recent callers at the home of
Mrs. Maud Harrison were Mr. and
Mrs. Joe Irvin of Rockford.

Mr. and Mrs. Frank Rhine have
returned to Springfield, having
been called here by the death of
Harry Newcom. Out of town per-
sons attending the funeral were
Mr. and Mrs. Walter Stafford, Mr.
and Mrs. Jim Stafford, Indianapo-
lis, Ind., Mrs. Ida Newcom, Mr.

and Mrs. Wilburn Newcom and
son, Mrs. Carrie Joiner of Evans-
ville, Ind., Mr. and Mrs. Clifford
Stricklin of Harrisburg, Mr. and
Mrs. Frank Rhine of Springfield.
Mr. and Mrs. Ford Newcom and
Frank Newcom have returned to
Pontiac, Mich.

The R. A.'s met Monday night at
the First Baptist church. Plans
were discussed to attend R. A.
Camp.

Mr. and Mrs. Will Lasseter and
Mr. and Mrs. John Bulmer and

daughter of Dearborn, Mich., have
been visiting relatives in Raleigh
en route home from Florida
where they spent the winter.

Mr. and Mrs. F. M. Lasseter
and Mr. and Mrs. Marion Lasseter
and children visited in Tuscola
Sunday with George Lasseter's
family.

Mrs. Dora Mings spent Wednes-
day with Edna Lasseter.

Announcing — America's newest, lowest, smartest 4-door Sedan

Newest model in Mercury's
Montclair Series lets you
enjoy "hardtop" beauty
with 4-door convenience

It's the newest Mercury of them all—the
Montclair 4-door Sedan, and the photograph
shows you that not one bit of the original
Montclair hardtop beauty has been lost. It has
the same dramatic lowness—only 58½ inches
from road to roof. And see how convenient it
is to get in and out. Everyone who admires

hardtop styling, but wants the roominess and
convenience of a 4-door model, can now eat
his cake, and have it too!

198-hp Super-Torque V-8 with dual exhausts

Seldom has an engine caused as much en-
thusiastic comment from auto editors, and
once you drive a Montclair, you'll see why.
It gives you instant, on-the-spot pickup at
every speed—from zero to super-highway limits.
A four-barrel carburetor, unique new high-
compression spark plugs, and dual exhausts
are yours at no extra cost. Features like these
are usually extra on medium-priced cars.

Exclusive new power lubrication gives Mercury widest choice of power features

The Mercury Montclair offers a new optional
power feature—power lubrication. And it's
exclusive with Mercury in the medium-price
field. You push a button on the dashboard and
vital parts of your car are automatically lubri-
cated. You can also choose optional power
steering, power windows, power brakes, 4-way
power seat and Merc-O-Matic Drive.

Why not come in and see this newest
Mercury? It costs a lot less than you think. And
your present car is worth a lot more than you
think on a trade-in at your Mercury dealer's.

American Legion Auxiliary Holds Pan American Program

The American Legion Auxiliary held its regular meeting Tuesday evening at the Auxiliary hall with Mrs. Paul Golish, president, presiding.

Donations were made to the Cancer Fund, and the Youth Center which is being sponsored by the Delta Theta Tau sorority was discussed with Mrs. C. W. Whitley being elected to serve on the board of directors.

The unit Pan American chairman, Mrs. Ray Moore, presented the "Pan American Study Program." In order to cement closer relations between the United States and our Latin American neighbors, the American Legion Auxiliary studies one Latin American nation each year. In this way they become acquainted with their habits, their countries and their people. This year the auxiliary is studying the country of Panama. Mrs. Moore discussed the Republic of Panama which was quite interesting and enjoyed by all the members.

A social hour followed with Mrs. Freda Keltner, Mrs. George Johnson and Mrs. Harry Erton serving a delicious jello salad, Ritz crackers and Cokes.

Dorrisville Baptist Rainbow Workers Meet

The Rainbow Workers class of the Dorrisville Baptist church met Tuesday at the home of Mrs. George Dixon.

Opening prayer was by Mrs. Douglas Lambert, and the devotion, taken from Psalms 23, was given by Mrs. Everett Estes. Closing prayer was offered by Mrs. Dixon.

Games were played with prizes being won by Mrs. Guy Price, Mrs. Dorman Glass and Mrs. Estes.

Plans were made for the Mother-Daughter banquet to be held May 6 at Santy's cafe in Carrier Mills.

Refreshments of sandwiches, potato chips and Cokes were served to Mrs. Bill Keen, Mrs. Kendall Webb, Misses Wilma Jackson and Barbara Reynolds, Mrs. Dorman Glass, Mrs. Guy Price, Mrs. Bob Aldridge, Mrs. Everett Estes and daughter, Janice, Mrs. Douglas Lambert, Mrs. George Wilkerson, and Mrs. George Dixon and little son, Gary.

Jim McKee, Harrisburg Township high school faculty member who was seriously hurt in a crash March 19 and who has been at the home of his mother in Centralia since he was released from Lightner hospital April 5, was back in Harrisburg today. Although still in crutches and wearing a neck brace, McKee's condition is improving.

MRS. HACK (MARION) WILSON, Junior club woman, who was elected treasurer of District 24, Illinois Federation of Women's clubs at the Spring convention by the district, held in Metropolis Wednesday. She is the wife of the Mr. Wilson who is a member of the Golden Key quartet and who is employed by Burnett Motors at Eldorado.

Eldorado Deanery Women Attend Day of Recollection Held at Ridgway Church

More than two hundred women of the Eldorado Deanery of the National Council of Catholic Women attended the Day of Recollection held at Ridgway Tuesday, April 26, which opened with High Mass at St. Joseph's Catholic church, Rev. Wm. Wigmann celebrant. The children's choir of 80 voices sang the Mass.

Following the Mass Father Wigmann introduced the Retreat Master Father Joseph Hayes, assistant pastor of St. Phillip's church in East St. Louis who gave a talk on the "Reception of Holy Communion." Fr. John Trepka of Lawrenceville gave a spiritual reading on "Kindness" and again the audience listened to a talk by Father Hayes.

Luncheon was served at noon in the school basement by the ladies of St. Ann's Altar society of St. Joseph's parish.

In the afternoon Fr. Hayes spoke on "Women's Importance in the Home," which was followed by spiritual reading by Fr. Trepka on "Kindness," and a final talk by Fr. Hayes.

The Day of Recollection was closed with Benediction of the Blessed Sacrament.

Attending from Harrisburg were the following: Mrs. Mary Seten, Miss Nell Seten, Mrs. Guy Tanner, Mrs. Trafton Dennis, Mrs. John Romonosky, Mrs. Walter Brown, Mrs. Lloyd Parish, Mrs. Victor Humm, Mrs. Geo. Johnson, Mrs. Bennie Steinmarch, Mrs. Jim Johnson, Mrs. Wayne Bynum, Mrs. Dave Evans, Mrs. Alice Pavelonis, Mrs. Andrew Debes, Mrs. Matt Zimmer, Mrs. J. J. Klein, Mrs. Louis Bobka, Mrs. Steve Pfister, Mrs. Robert Schneider, Mrs. Edw. Harold and Mrs. Edw. Kezley.

Reuther Enters Talks with Ford

DETROIT AP—CIO President Walter Reuther personally entered the United Auto Workers union talks with Ford Motor company today to buoy a drive for a guaranteed annual wage.

Reuther's announcement Thursday that he would enter the talks increased speculation that the union planned to concentrate on Ford in its drive for the controversial wage issue.

GAW is the central issue in negotiations with Ford, General Motors and other auto producers for new pacts to replace five-year contracts which expire at varying intervals beginning May 29.

Homecoming Sunday at General Baptist Church

Sunday, May 1, is Homecoming at the General Baptist church on Sloan street.

There will be services at the church throughout the day with the homecoming dinner to be served at noon in the lower rooms of the church.

The afternoon service will begin at 1:30 with a mother-daughter potluck dinner Monday at 6 p. m. followed with regular meeting at 7:30. All members and mothers and daughters are invited. Gladys Winkelman, N. G.

Pride of Midway lodge No. 679 will have a mother-daughter potluck dinner Monday at 6 p. m. followed with regular meeting at 7:30. All members and mothers and daughters are invited. Gladys Winkelman, N. G.

mixed large extras 35; mediums,
standard and current receipts 33.

Says Committee Will Scrap Ike's Highway Program

WASHINGTON 4P—Sen. Albert
Gore predicted today that his Senate
committee will scrap Eisenhower's
highway program.
An amended version of his own
highways legislation will be ap-
proved, the Tennessee Democrat
said.

This would include some "strong
points" from Mr. Eisenhower's
legislation and a bill introduced by
Sen. Francis Case (R-S.D.), he
said. But it would not include the
controversial provision in the ad-
ministration measure calling for
issuance of 20 billion dollars of
special bonds outside the public
debt to finance the new super,
interstate highways.

The bill—now being drafted—
would provide for building \$2,950-
000,000 of federal-aid highways an-
nually for the next five years. Mr.
Eisenhower's measure called for
\$3,700,000,000 worth annually for
the next 10 years. Case's would
spend \$3,650,000,000 annually for
the next 10 years.

Mr. Eisenhower's overall high-
way program called for construction
of 101 billion dollars of new
highways in the next 10 years, with
states and local governments to
pay for 64 billion dollars worth.

U. S. Considers Moving Token Force to Formosa

WASHINGTON 4P—The United
States is considering the possibility
of moving a token force of Ameri-
can ground troops into Formosa,
it was reported in usually well-
informed sources today.

These sources said the purpose
of placing such a contingent side-
by-side with a U. S. jet fighter
squadron now on Formosa would be
to bolster Chinese Nationalist
morale and offset opposition to a
cease-fire in the Formosa straits.

The possible project was under-
stood to have been discussed with
Generalissimo Chiang Kai-shek
during the just-concluded visit to
Formosa by Adm. Arthur W. Rad-
ford, chairman of the Joint Chiefs
of Staff, and Asst. Secretary of
State Walter Robertson.

Sullivan High School Boy Drowns

During Lunch Hour Dip
SULLIVAN, Ill. 4P—A Sullivan
high school boy drowned Thurs-
day while taking a lunch-hour dip
in Wyman Lake.
Eddie Sims, 14, son of Mr. and
Mrs. Clyde Sims, drowned while
he and two other youths, Darrel
Morgan and Duane Kuhns, were
swimming across the lake a second
time.
The body was recovered about
three hours after the accident.

Left Winger Elected President of Italy

ROME (CP)—Giovanni Gronchi,
67, speaker of the chamber of de-
puties and a left wing member of
the Christian Democratic Party, was
elected president of Italy today.
Gronchi, a man who wants to
bring leftists into the government,
won the right to succeed retiring
81-year-old President Luigi Einaudi
on the fourth ballot in the Italian
Parliament.
Gronchi's victory came as a blow
to some Western diplomats in
Rome, who fear it will start a chain
reaction swing to the left through-
out Italy.
Gronchi is anti-Communist and
a Catholic.

In Memoriam
In loving memory of our mother,
Mrs. Nellie Mooneyham, who pass-
ed away.

ONE YEAR AGO TODAY
God, bless our mother in her
grave, one year ago today...
Who did the best she could to live...
According to your way...
She loved you God, and in her
heart... She loved our family...
and prayed our reunion in...
Your great eternity... There was
so many things on earth... she
hoped that she could do... In-
cluding all her dreams for us...
That never could come true...
Dear Father, keep our mother...
In Your good and loving care...
In let her rest in peace, as
we... Implore you in this prayer...
Protect her with your blessing
for... The kindest of women...
and when our day is over, let...
Us be with her again.

Half Dollars Fly From Truck 'Like Silver Ducks'

ST. PETER, Minn. — Half dollars flew "like silver ducks" over U. S. 169 Thursday and motorists jammed on their brakes to stock up.

Up ahead, a semi-trailer truck was rolling peacefully along, its driver unaware that his vehicle was spraying money along the highway.

The strange procession continued for three or four miles before the leak in the money truck was discovered.

When the truck finally stopped, a trail of eager motorists were busy scooping up from \$400 to \$500 in half dollars.

Most of them surrendered their loot, but at least one sped away with the cheerful cry of "thanks for the dough."

The truck was carrying a money shipment, estimated at \$250,000, from Denver, Colo., to the Federal Reserve Bank at Minneapolis. A Brinks Inc. armored car was following it.

A guard in the armored car, Marvin Ince, suddenly became aware that something was wrong up ahead.

"First we thought they were cigarette papers," Ince said. "Then we noticed it was money. They looked like flying silver ducks."

"Then it took us half a mile to stop the semi-trailer."

Sheriff Clifford Witty arrived on the scene to find "the road really sprayed with money."

Brinks explained that a cross inside the truck had fallen down, breaking a floor board. A bag rubbing against the board broke open and the half dollars began flying through the crack.

GIRL SCOUTS HAVE FIRST SEWING LESSON—The members of Girl Scout Troop No. 5 are proudly "showing off" new summer skirts which they recently completed. The girls met once a week for four weeks and worked 20 minutes each time on the garments. It was their first time to use a sewing machine and Mrs. Louie Gaskins was sewing instructor. The ten-year-old Scouts are led by Mrs. O. L. Turner Jr. who is assisted by Mrs. Clyde Wilmoth. The girls are shown above at a lawn party held at the Turner home Wednesday afternoon. They are, left to right, front row, Kathy Morris, Cloe Clayton, Sara Sullivan, Raenelle Pearson, Brenda Crain, Jill Lasersohn, Jo Capel and Susan Baker. Back row, Judy Rister, Ruth Ann Bramlet, Belle Turner, Sarah Beth Rice, Patty Stone and Myrna Starnes. (Register Staff Photo)

Saves Showers

Bermuda has no streams or underground stores of fresh water, so rain water for drinking and washing must be caught on rooftops and collected in reservoirs.

County Chairman Reports \$6,856 in Red Cross Drive; \$2,954 in Harrisburg

A total of \$2,954.10 was collected in Harrisburg during the Red Cross fund drive, it was announced today by Charlie Skaggs, Red Cross fund drive chairman for Harrisburg. Alfred Adams, county drive chairman, reports a total of \$6,881.52 for the county which includes contributions to the blood program.

In Harrisburg a total of 1,261.75 was collected in the business areas from business houses and employees with Roy Staiger as chairman. From organizations, of which Dale Sullivan is chairman, \$304 was collected. The drive in the residential and rural areas brought in \$965.90.

Since the last report the following chairmen have completed their territories: Loyd A. Wasson, Mrs. Phillips Nyberg, Mrs. Rod Nash, Mrs. John Stump, Mrs. Charles Seten, Mrs. Pete Burton, Mrs. Roy Thompson, Mrs. Dan Minner, Mrs. Warren Tuttle, John Molinarolo Jr., Vern Joyner Jr., Ralph Woolard, John C. Wilson, Edwin Thompson and Herman Lambert. Contributions of \$5 or more in Harrisburg township are as follows:

\$30: Gaskins Lumber company.
\$25: Paul Halberstaben, Pool

Pontiac, Saline Motor Co., Kroger Market, First National bank and Barham-Green, Harrisburg Dairy, \$20: Fashion Palace.
\$15: Barnes Jewelry Co. and Mrs. Jewell, Miley Insurance and Polk's Shoe store.

\$10: Mrs. Nelle Meyers, Mrs. Gertrude Barnes, Mrs. Laura Cummings, College club, Harrisburg Motor hotel, Durham Lumber Co., Humm Motor Co., Myrons, Hawkins Loan, Palace Clothing and Zola Sloan.

\$5: June Malan, V. F. W. Auxiliary, Mrs. W. E. Witten, Stain's Tin Shop, George H. Davis, Harry Jones, John Humm, Mr. and Mrs. Roy Rievey, Mabel Scott, Mrs. Carl Rude, Mitch Golish, Tison-Hall, Joe's Texaco station, Collier and Joyner, Craggs and DeVille, Harrisburg Printers, Ebb's Shoe shop, Recther Bros., Skaggs Pharmacy, Winkelman's Jewelry store, Dr. A. O. Steinborn, Western Auto, Wilson's Tire Co., Schierle's cafe, Henry's Typewriter service, Karnes Hardware, Skaggs Electric, Herman Lambert, Harry Ertan, Heister's, Brown and Belt, Mr. and Mrs. J. L. Miller, M. D. Hunsinger, Mr. and Mrs. Victor Mitchell, Clara Sullivan, Mr. and Mrs. E. B. Web-

ster, Loy Barger and W. and W. Cleaners.

Donations in other townships were:

Raleigh, \$10: Eva Glascock; \$5: Raleigh Packing Co. and Ore Elder. Rector, \$5: Harry Hines, Lee Porter and Otto Benson.

Mountain township, \$5: Guy De-Neal and sons and Verba Wallace.

Seeks Damages

Dale Hunt seeks \$380.80 auto damages from Harry Veatch Jr. in a complaint on file in circuit court. The complaint, filed for Hunt by Atty. J. C. Mitchell of Marion, arose from a collision of cars driven by Hunt and Veatch on East Poplar street, Harrisburg, March 12.

sweeping engineering changes in new MITCHELL 1955 room air conditioner leave '54 models years behind

here's why it's worth a little more
to get a lot more in a
MITCHELL room air conditioner

Today, you may be offered many types of room air conditioners. Some are new . . . some are old . . . some even have outdated chassis in redesigned cabinets. You can probably buy them for a little less than this brand new MITCHELL, but before you are influenced by price alone, consider carefully what you get. There's only one air conditioner like the 1955 MITCHELL . . . only one with Air Flow Modulation, Expando-Mount and True Flush Mount Installation . . . the industry's most advanced features. These are MITCHELL's exclusively, together with the one knob Weather-Dial Control and heat for extra comfort. Don't spend a little less to get a lot less. MITCHELL's completely new engineering and design departures bring you a whole new world of comfort . . . totally new air conditioning! See the brand new 1955 MITCHELL Room Air Conditioner today!

BUDGET PRICED!

More Mower for
your Money!

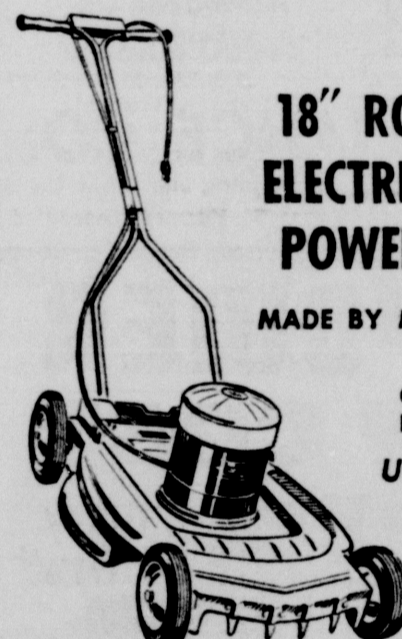

18" RED BIRD POWER MOWER

you would expect to pay \$75.00 or more

\$59.95

Just look at the features! This mower cuts through overgrown weeds and grass easily, sprays the cut grass to save raking. Trims close to trees and bushes — saves hours of time!

BUY ON EASY TERMS—ONLY \$6.00 DOWN!

18" ROTOMATIC ELECTRIC ROTARY POWER MOWER

MADE BY MONARK SILVER KING

GLIDES THROUGH HIGH-EST GRASS AND WEEDS.
Use our Easy Pay Plan

\$66.15

Let this Rotomatic Power Mower make lawn mowing from work to play. Tall grass and weeds just seem to melt away as you guide this fine mower over your lawn. It's powered by a 1/2 H.P., 110 volt, Delco or Westinghouse motor that drives a rotary blade at 3450 RPM. Heat-treated, bar-type blade is connected to the motor through a slip-clutch adaptor that absorbs the shock if the blade strikes a solid object. Blade has full 18-inch cutting width and can be adjusted to 5 cutting heights from 1 1/4" to 2 3/4". Heavy gauge steel base has removable guard teeth. Steel wheels are mounted on bronze bearings and have puncture-proof tires. Buy this mower today on our Easy Pay Plan.

TWO FEATURES AT GRAND—Three gunmen are pictured in front of a "reward poster" in a scene from "The Outlaw's Daughter," in color, to show at the Grand Friday and Saturday. Also on the double feature program will be Richard Denning in "Target Earth."

Quit Trying to Make Assistant Wives Out of Husbands, Women Advised

By ALFRED LEECH
United Press Staff Correspondent

CHICAGO (UP)—Dr. Herbert Ratner said women should stay home and take care of their kids and quit trying to make "assistant wives" out of their husbands.

Ratner, health commissioner of suburban Oak Park, made these points the other night at a mental health lecture attended by married couples.

Husbands shouldn't have to wash the dishes unless they volunteer, he said.

More Affection for Children

"Then why should I have to wash them?" a young housewife asked. "Because it's your job," said Ratner, who minces no words.

There was a hush, followed by masculine guffaws.

"Why should a woman try to make a second-rate woman out of her husband? 'What are we trying to do, set up a matriarchy?'"

Ratner, an associate professor of preventive medicine at Loyola University, said most parents, husbands included, don't show their youngsters enough affection.

Many young mothers, he said, are too busy with clubs and "community work."

"We're raising a generation of latch key kids," he said. "They come home to find that mama has gone out to improve the school system or the police force."

Children Show Resentment
Civic and community organizations should be left to older women who already have raised their families, he said.

But many young mothers become "willingly and happily ensnared" in such groups, he said, and kid themselves that they are doing a "greater good" for their children. So the child, unsure of his par-

ents' affection, shows off or "acts up" when company comes, or scribbles on the walls to express his resentment, Ratner said.

One out of every 12 children born in this country is headed for a mental institution, he said, so it behooves parents to expend their energy on "a bangup job of child rearing."

Sulphur Springs

Jerry Hull is now able to be back in Sunday school after his car accident.

Mr. and Mrs. K. Church are doing some papering in their home. Mrs. Ruby VanAlstyne will visit home folks the last of this week and bring wall paper for the dining room.

Mrs. Inez Gibbs called with Mrs. K. Church Wednesday morning to present Mrs. Church with a box of large dahlia tubers.

Mrs. Charles Barnett is very poorly and hasn't felt well for some time.

Mr. and Mrs. Charles Chrisman and children of Harrisburg attended church the first Sunday at Sulphur Springs and had dinner with Mr. and Mrs. John Adams. Also

at the Adams home were Rev. and Mrs. Clyde Vinyard and son. The cool spell has damaged some of the gardens as well as a lot of flowers.

The young people met Wednesday night at the church to practice. The next meeting will be at Mitchellville.

Kressa Church has in store a lot

of fine cedar crochet hooks, cedar chairs and yard seats.

Mrs. Church has received word of the approaching marriage of her granddaughter, Doris Jean Church, and Fred Strammer, a graduate of dental science. Doris Jean is a resident of St. Petersburg, Fla.

Woman Hurls Rotten Duck Eggs at Assessor

LANCASTER, Wis. (UP)—Mrs. John Winklers, who weighs 90 pounds, went to jail for 20 days rather than pay a \$50 fine on charges of throwing rotten duck eggs at a 225-pound village assessor.

**TOAST A LOAF OR MORE OF
BREAD FOR ONLY A PENNY!**

No matter where you are, Modern Automatic Toasters will toast a loaf or more of bread for only a penny! Doing a lot of work for only a penny is just another task of electricity. Really, electricity is about the only thing that costs less today than in 1930!

Now, CIPSCO Residential Customers use
5 TIMES AS MUCH ELECTRICITY
as in 1930, but they pay
LESS THAN HALF AS MUCH
per kilowatt-hour

A Penny is Still Big Money When You Buy Electric Service

Nothing else you buy does so much,

Yet Costs So Little!

Radio & Antenna.....\$92.50

Coleman Describes Undercover Work

(Continued from Page One)

Russia from 1870 to the Ukraine, then to the Baltics and other grabs after War II into Manchuria and Sakhalin islands of Japan and into Europe. He also pointed to the pattern of expansion aimed at Asia and India.

No Co-Existence

His advice to stop Russia was:
1—Build navy and air force to great enough power to prevent attack.

2—Build small army of special weapons.

3—Teach military government and occupation to military leaders.

4—Insist on top flight intelligence service.

5—Build remaining friends into effective allies.

Mr. Coleman stated that if there is no shooting war there would be no co-existence anyway as Russia is building heavy armaments in the belief that the atomic and hydrogen bombs will be outlawed and they would be the preponderant power in standard weapons.

Markets are the cause of major wars, Mr. Coleman stated, and he foresees the time when the U. S. may have to fight for its markets.

"Freedom is only for those who are brave enough and strong enough to defend it," he concluded.

G. H. Mugge, president of the Dinner club, presided at this last of the winter and spring series. He outlined the program for the fall and winter series and stated new members for the next year will be welcome to the meetings which will begin in September instead of waiting until January.

Invocation was given by Rev. W. E. Hanagan of Eldorado and the speaker was introduced by Judge Arthur Summers of Eldorado.

UNLESS we miss our guess, a lot of surprised people are going to do some new back-of-an-envelope arithmetic when they see the Buick price shown here.

Because we know that many folks still don't realize how little a Buick really costs—that the dollar difference between this big Buick SPECIAL 2-door, 6-passenger Sedan and the leading smaller cars has virtually disappeared.

**Buick Sales Are Soaring As
Never Before**

But more and more of them are finding it out. And that's a major reason why Buick production and Buick sales are soaring to all-time highs today—and why Buick again is outselling all other cars, regardless of price range, except two of the well-known smaller cars.

Big reason, too, for this soaring

popularity is Buick's full line of automobiles, giving you a choice in any price class—the rock-bottom-priced SPECIAL, the high-powered CENTURY, the supremely spacious SUPER, and the custom-built ROADMASTER.

But above all, more and more people are discovering that the price you pay for a Buick buys more sheer automobile than the same money buys elsewhere.

More advanced styling, more deep-down comfort, more pure power thrill, more ride steadiness and handling ease and solidity of structure.

More spectacular performance, too, from the modest extra cost of Buick's automatic transmission.

For here you get Variable Pitch Dynaflo[†]—the new wonder drive born of modern aeronautics to give you instant full-power getaway and acceleration when needed—and far better gas mileage when cruising.

Why not come see us this week, for sure? We'll be happy to have you test-pilot a new Buick, just for the sheer thrill of it—and show you quite clearly that if you can afford any new car, you can afford a Buick.

[†]Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

**Thrill of the year
is Buick**

Tigers Beat Senators, 4-1, For Fifth Straight; Giants Top the Cardinals, 6 to 4

By CARL LUNDQUIST United Press Sports Writer

The softest job in the major leagues these days is being a relief pitcher for the Detroit Tigers. In fact, the whole bullpen crew may have to apply for unemployment compensation if the Tiger starters keep up their present pace. The Detroit pitching staff, has turned in eight complete games, every one a winning effort, or more than any other team in the majors. Thus far, lefty Billy Hofer pitched the Tigers to their fifth straight victory, 4-1, with a fifty-six-hit effort over the Washington Senators.

Detroit, pushing into a second place tie with idle Cleveland, has won eight games and lost five. The only defeats were when the starter failed to club the distance. The only club to challenge Detroit's complete game mark is the Yankees with seven, and one of these was a defeat. The Phillies and Red Sox have six each to rank next.

In other American league games,

THE ORIOLES PLAY THE INDIANS SATURDAY on the FALSTAFF-TV "GAME OF THE WEEK" with DIZZY DEAN and BUDDY BLATTNER 1:00 P. M. KFVS-TV, Ch. 12

brought to you by **FALSTAFF** America's Premium Quality Beer

DeNeale, in a dual track meet between SIU and Eastern Illinois, won the 440-yard dash in the good time of 50.4, then anchored the mile relay team to a new SIU record of 3:27.1 to break a mark established in 1938 of 3:27.2. Gene Payton of Carrier Mills was a member of the 1938 quartet that set that mark to stand these many years. Eastern won the meet 68-63.

In a baseball game between SIU and Arkansas State Williams went to bat in a pinch hitter's role and

like Delock pitched the Red Sox to a three-hit, 3-1 triumph over Chicago and the Yankees trimmed the Athletics 11-4. Cleveland and Baltimore had an open date.

Home runs decided the outcome in three National league games. Willie Jones homered in the ninth to give Robin Roberts of the Phils a six-hit, 3-2 triumph over Milwaukee. Carl Furillo's seventh homer with two on gave Brooklyn a 4-2 win over the Cubs and Ray Jablonski provided the victory for Cincinnati by driving in all the runs with a homer and double in a 3-2 decision at Pittsburgh. The Giants topped the Cardinals, 6-4, as reliever Marv Grissom pitched his way out of two bases-loaded jams.

Furillo's homer, which put him nine games ahead of Babe Ruth's record pace of 1927, came after Bob Rush had pitched one hit ball for six innings and had provided both Chicago runs with a homer of his own.

Roberts Beats Burdette Jablonski lived up to his reputation of "good-hit, no-field." After his homer put Cincinnati ahead 1-0, he let in a run on a wild throw, but took himself off the hook with a two-run double that gave Gerry Staley his second victory.

Jones' homer, his fourth, broke up a duel between Roberts and loser Lew Burdette, who yielded only four hits. The Milwaukee hurler beat the Phils five times without a defeat last season.

Grissom held St. Louis to three hits in 2 1/3 innings to save Jim Hearn's third victory. Four Cardinal errors gave the Giants two unearned runs. Stan Musial hit a St. Louis homer. Don Mueller's two hits gave him the National league batting lead with a .404 mark.

Delock pitched hitless ball for six innings in his triumph over Chicago. Faye Throneberry paced Boston with a triple, double, and single, raising his batting average to .412.

The Yankees made 13 hits including a two-run homer by Mickey Mantle to top the Athletics before 32,559 fans, largest crowd ever to see a sports event at Kansas City. Vic Power homered for the losers.

Looking AT Sports

By BILL MELTON Two Saline county boys attending Southern Illinois university—Sam DeNeale of Harrisburg and Fred Williams of Carrier Mills—came up with good performances this week.

DeNeale, in a dual track meet between SIU and Eastern Illinois, won the 440-yard dash in the good time of 50.4, then anchored the mile relay team to a new SIU record of 3:27.1 to break a mark established in 1938 of 3:27.2. Gene Payton of Carrier Mills was a member of the 1938 quartet that set that mark to stand these many years. Eastern won the meet 68-63.

In a baseball game between SIU and Arkansas State Williams went to bat in a pinch hitter's role and

Bull Dogs Trip Marion, 8-4, For Seventh Win

The Harrisburg Bull Dogs banged out 10 hits—six of them for extra bases—to trip the Wildcats at Marion, 8 to 4, yesterday afternoon.

It was the second baseball game in two days the locals had won from Marion as they beat them, 6 to 3, here on Wednesday afternoon. And it was the seventh victory against no defeats for the Bull Dogs.

The locals got five doubles and a triple in winning yesterday. And Dave Anglin, the hurler, went all the way. He allowed eight hits and struck out six.

Jim Anderson, the Marion pitcher who had a no-hitter against Johnston City recently, went the distance, too, and had 10 strikeouts in losing.

Harrisburg opened the scoring in the second by putting across three runs on four hits. Russ McDowell singled and stole second and came home on Ron Mitchell's single. Anglin doubled Mitchell home and scored on Ken Spurlock's single.

Marion made one tally in the second but Harrisburg made the count 4 to 1 in the fifth when Jim Cummins walked, stole second and scored when Wayne Hefner doubled.

The Wildcats narrowed the gap in the same frame when they scored two to make the count 4 to 3, the way it stood until the top of the seventh when the Bull Dogs added four more. Cummins was safe on an error and Ray Hassett walked. Hefner tripled both of them home and scored when Don Price doubled. Price scored on McDowell's single.

Marion added a run in the last of the seventh.

The regular lineup was used, as follows: Dave Reese rf, Ken Spurlock cf, Wayman Hefner lf, Russ McDowell 3b, Jim Cummins ss, Don Price 2b, Ron Mitchell 1b, Ray Hassett c with Anglin on the mound.

Next contest will be against Ridgway four next Wednesday afternoon.

Ridgway, Crab Orchard Nines Win

Ridgway and Crab Orchard won baseball games yesterday on their home diamonds. Ridgway shut out invading Equality, 4-0, scoring three in the third and another in the sixth.

At Crab Orchard, Galatia was handcuuffed by the home team, 3-0.

Legion to Play at Carterville Sunday

The Harrisburg Legion will venture away from home Sunday afternoon to engage in their first away game when the team goes to Carterville to meet the Stars of that city.

Inclement weather last Sunday forced postponement of the Legion's season opener at the park diamond with the Princeton, Ind., Lions and the game will probably be re-scheduled for May 30th here. Making the trip for Harrisburg

Sunday will be Dick Romonesky, Bill McNew, Jim Parton, Don Karnes, Carl Griffiths, Harold Galle, Bob Dallas, Frank Logsdon, Jim Hay, "Buzz" Kennedy, Lou Elms and perhaps Don Stout, the latter depending on his service priority.

Bill McNew will probably be the starting hurler with Dick Romonesky doing the receiving. Players are asked to be at the park diamond by 12:30 Sunday ready to depart for Carterville.

Large plastic fruit and vegetable bags make excellent rainy-day covers for children's schoolbooks.

Gov't Forces Destroy Rebel Headquarters

SAIGON, Indochina (AP) — Government troops destroyed the headquarters of the rebel Binh Xuyen gang and drove its commandos back to a river island today in a great but bloody civil war victory for pro-American Premier Ngo Dinh Diem.

The counter-attacking loyal troops, moving under cover of heavy mortar barrages, shattered the rebels' main strongpoints in a two-day battle that killed several hundred persons, wounded nearly 1,000 and left 100,000 persons homeless.

In the wake of his victory, Diem spurned an order from Chief of State Bao Dai to fly to the Riviera and to give up control of the army. His cabinet sent a message to the absentee chief of state affirming that Diem's presence in Saigon was essential and that no one had the authority to replace him.

Try for Cease-fire

The government forces moved quickly to complete their victory over the tough Binh Xuyen troops.

The victorious government troops ousted the rebels from a schoolhouse stronghold, drove them from their major defense post at the Van Cam movie theater — last major Binh Xuyen stronghold in Saigon — and then swept on toward the rebel headquarters.

They left in their wake shattered houses, pools of blood and burned-out houses but they pressed through rebel sniper fire to the Y-bridge leading across a canal to the Chinese city of Cholon. They blew up the bridge and bombarded rebel headquarters into flaming rubble.

Wife, Husband Die of Strokes Within 14 Hours

PORTLAND, Ind. (AP) — Separate funerals will be held Saturday for Mr. and Mrs. Grant Longbone, who died within 14 hours of apoplectic strokes.

Mrs. Martha Longbone, 77, died Wednesday, and her husband, who was 91, died Thursday.

Purse is Lost by Aged Pensioner

Someone picked up a purse in the Post Office last week, which belonged to an old age pensioner, and contained a small amount of money which had been saved by her since Christmas. Her children had given it to her and she intended to buy summer dress clothes with it.

She put an ad in Register classifieds, but has not heard from the purse. Possibly the finder will read tonight's Register and restore this woman's purse.

Furgol, Littler, Harbert Lead Field in Tourney

LAS VEGAS, Nev. (AP) — Class will tell — in golf, horse racing, or any other sport.

So today National Open champion Ed Furgol, National PGA champion Chick Harbert and former National Amateur Gene Littler teed off in the second round of the \$37,500 tournament of champions leading the star-studded field.

These three men, always up close when the chips are down (first prize is worth \$10,000 in this one), posted three-under-69s Thursday to take a one stroke lead over five other aces in the closely bunched field.

While tournament favorite Sam Snead took a husky 74, Littler, Furgol and Harbert were up front.

Taking advantage of an exceptionally calm day on the long Desert Inn Country Club course, they played careful golf and it paid off. Furgol was out in 34 and Littler and Harbert each had a 35 on the front nine, they reversed the scores on the back side.

Snead, who sold for \$17,000 in the Calcutta pool that grossed a record smashing \$202,500, was slightly disgusted with his 74.

"You know," he said ruefully, "a fellow could get rich on this tournament. There's a \$10,000 first prize, and if you had a piece of yourself in the Calcutta pool, you would have a chance to make \$25,000 to \$50,000. But I just didn't have it out there today."

While Snead complained about his 74, defending champion Art Wall Jr., Pocono Manor, Pa., was in more trouble with a 75.

Close on the heels of the leaders were world champion Bob Toski, veteran Lloyd Mangrum, Pete Cooper, Jerry Barber and Eric Monti. Cary Middlecoff, who sold for \$16,000 in the Calcutta, and Mike Souchak, who brought \$15,000, each had a 71, along with Marty Furgol (no relation to Ed) who sold for a meager \$7,000.

In the 72 bracket came Tommy Bolt and Bob Rosburg, while Bud Holscher had 73 and Bo Wininger had a 74 along with Snead.

At 74, along with Wall, were Julius Boros and Dougford, while Billy Maxwell and Wall Ulrich each had 77.

Benson Says High Supports One of Dust Bowl Causes

WASHINGTON (AP) — Agriculture Secretary Ezra Taft Benson said today past Democratic farm policies are partially responsible for the current drought in the Midwest.

Benson, just back from a tour of the drought area states, attended a Cabinet meeting at the White House and remained behind to report to President Eisenhower on his trip to Colorado, Kansas, Oklahoma, Texas and New Mexico.

Benson said he believes one of the reasons for the current dust bowl problem in the West was "high rigid (price) supports on wheat which encouraged expansion of wheat acreage in marginal areas."

"So, the government has contributed to the situation to the extent that we had an unusual farm program and the government has a moral obligation to correct," Benson said.

Benson has called a meeting of 10 Western state governors for early June to discuss supplemental steps to cope with the drought. He said the federal contribution in the meantime consisted largely of an emergency feed program and extension of emergency credit.

To Draft 10,000 In May and June

WASHINGTON (AP) — The Army will draft 10,000 men in June, the Defense Department announced today. The same number will be drafted in May.

The June call will bring to 1,908,430 the number of men drafted into the armed forces since the Korean War. The Marines took 81,430 and all the rest went to the Army.

The May and June calls are 2,000 higher than April's.

CHICAGO (AP) — About 580 Illinois men will be drafted in June, the Illinois Selective Service headquarters has announced.

It said Thursday that the exact quota of the 10,000 to be drafted throughout the nation will not be known for a few days, but was expected to be close to the 580 number of May.

Father of 12 Killed When Train Hits Auto

MOUNT PULASKI, Ill. (AP) — Webster Allen, 49, was killed instantly when an Illinois Central freight train struck his automobile at a crossing Thursday night.

Allen, a laborer, was the father of 12 children.

The impact of the crash threw Allen from the car, according to Logan County Coroner Donald Holland.

The accident happened two blocks from Allen's home.

Set Aside AWOL Conviction of GI

FRANKFURT, Germany (AP) — The U. S. Army Thursday upset the AWOL conviction of Pvt. William A. Verdine, who spent nearly six years in Soviet slave labor camps.

The 28-year-old Starks, La., soldier who was returned by the Russians in January was found guilty of being absent without leave by an Army court martial March 30. He was fined \$396 but was not sentenced to prison the grounds that he had suffered enough in Soviet captivity.

Maj. Gen. Richard Stephens, the reviewing officer, set aside the conviction on technical grounds. He ruled that Verdine's rights had been prejudiced by the trial officer's failure to admit certain evidence presented by the defense.

"He now has a clean slate as far as the AWOL charges are concerned," Col. G. R. Dougherty, staff judge advocate, said. Dougherty emphasized that Verdine was not acquitted of the charges but added "there will just be no further trial."

Mahan Rites at Equality Saturday

Funeral services for Dan Mahan, Equality resident who died at his home Tuesday morning, will be held Saturday at 2 p. m. at the Equality Methodist church. Rev. Dale Crockett, pastor of the Shawneetown Baptist church, assisted by the church pastor, Rev. W. E. Fox, will officiate and burial will be in the Leavell Hill cemetery.

Operates Service Station at Carrier Mills

E. L. Whittaker is now operating the D-X service station in downtown Carrier Mills, at the intersection of Oak and Main streets.

He took over the management of the station this week and states he is now prepared to offer complete filling station service — gasoline, oil changes, grease and washing jobs, tire repair.

Mr. Whittaker invites all his friends and customers to come by for good products and prompt service.

Youth in Gov't Legislature Convenes

SPRINGFIELD (AP) — The joint session of the YMCA Illinois Legislature convened today.

About 350 high school students from Hi-Y and Tri-Y clubs throughout the state assembled for the sixth Y "Youth in Government" Legislature.

The group's opening meeting was a joint session, with Supt. of Public Instruction Vernon L. Nickell as

speaker. Gov. William G. Stratton also said he would address the group if he could squeeze a few minutes out of his schedule.

After the joint session the youthful legislators were scheduled to go into committee hearings to study the merits of more than 150 bills.

Governor is Richard Heyder, West Frankfort. George McKenne, Chicago, is lieutenant governor and president of the Senate. Donald McFayden, Chicago, is speaker of the House.
